Insurance

Applicants must have Public Liability Insurance with a minimum amount of \$20 million. The Certificate of Currency for this insurance will be required as part of the application process.

Applicants using an auspice would include a certificate from the auspice organisation. A policy statement or receipt of payment is not an acceptable substitute for the certificate of currency.

Permits and Approvals

Activities may require permits and approvals.

These processes are separate to the grant application process and require additional time and budget in the project plan. You do not need to secure permits or approvals before applying for the grant, however obtaining these approvals will be a condition of the funding.

You must also be able to demonstrate that you are aware of the necessary permits and approvals in your application.

What if my activity does not proceed?

If you are successful in obtaining a grant and your activity does not proceed, you must contact the Community Wellbeing department on the details provided below in a timely manner to discuss the circumstances of the activity not proceeding and organise returning the grant funds provided.

Failure to notify Greater Shepparton City Council of your activity not proceeding will deem future applications for all grants available ineligible.
